

FROM THE CHAIR

On behalf of the Board, welcome to the Waikato Chamber of Commerce! Thank you for becoming a member of the Chamber.

You have joined an organisation and its large existing member base that are deeply passionate about economic growth, business entrepreneurship and ensuring our region grows economically. Accordingly, our region overall will succeed because of your support.

Running a business can be hugely rewarding but can also have its challenges. Our team are here to help you connect, grow, to be inspired and we will represent you at all levels of both local and central representation.

The Chamber is well connected both in New Zealand and around the world and if we can help with connections please reach out.

The Chamber can only succeed, however, with the engagement and enthusiasm of you, our members.

I encourage you to make the most of your membership. This welcome pack is designed to help you do that, and I know the Chamber team will do all they can to ensure you maximise the potential of your membership. I look forward to meeting you at a Chamber event soon.

Sincerely,

Peter Nation
